FROM FOOTBALL TO FASCISM: INTRODUCING “CAR14REY.”

4. AUGUST 2019 | MBOROafa

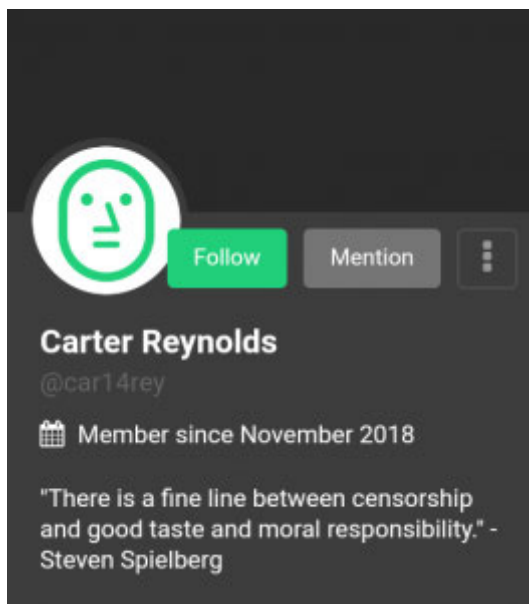

“car14rey” got on our radar screen from this single solitary post found on Discord’s “Nice Respectable People” server that was leaked by Unicorn Riot. This server was used by the Neo-Nazi hate group Identity Evropa (newly re-branded as the American Identity Movement, or AmlM for short) to plan and coordinate meetings, speaking events, “flash-mob” rallies, and how to make every forthcoming election cycle-“whiter.”

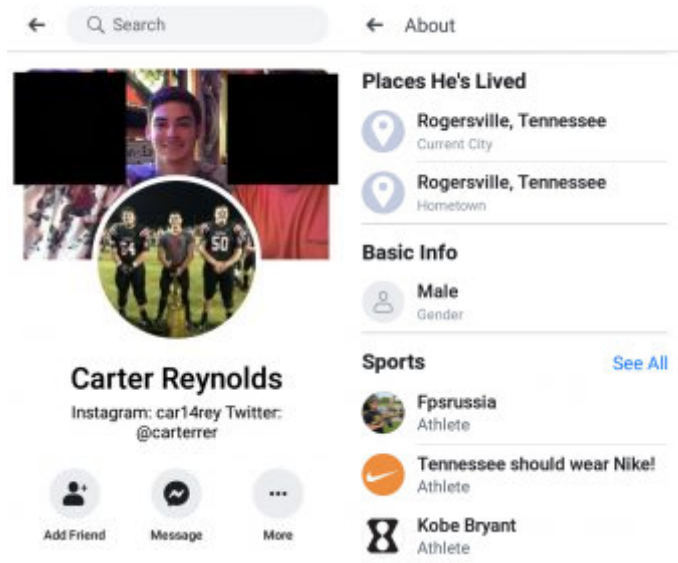

Now, “car14rey” is not the most prolific poster on Discord, in fact, this is only post we found. We do not know the membership status, or level of involvement of this person. However, the very fact that we found this individual on the Discord server of a white supremacist organization with ties to violence from coast to coast is cause for alarm.

Let us not forget, that at the “The Battle of Berkeley” in April of 2017 we saw Identity Evropa founder Nathan Domingo punch a 95 pound antifascist protester in the face in a video that went viral. Later that same year, we discovered that Domingo helped plan the Deadly August 2017 “Unite-The-Right” rally in Charlottesville where Identity Evropa members participated in street brawls. Also, let us not forget the fact that convicted Amtrak terrorist Taylor Wilson was found at the Charlottesville rally-waving an Identity Evropa banner.

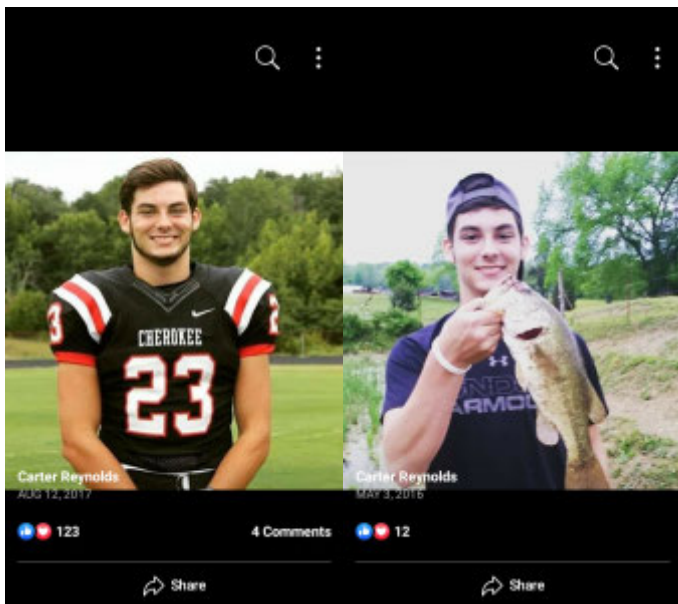

Now, searching through the internet we found a couple of accounts (illustrated below) that were lying dormant with the same handle of “car14rey” and the name “Carter” found in the image above. Notice the last name “Reynolds” appears on the images below.

Now, one look at Carter Reynolds Facebook account, and what do we find? We find the address of his Instagram account address listed with the same handle of “car14rey” found in the accounts displayed above. We also find him to be residing in the eastern Tennessee town of Rogersville. We further discover that Carter’s active Twitter account address-is: “@Carterrer.”

What we also observe, is that Carter Reynolds’ Facebook account is suspiciously set to private. Now, from all outward appearances Carter would have us believe that he is merely a friendly, fun-loving, football player with his Cherokee High School varsity team.

However, one look at Carter’s Twitter account (@Carterrerr) and we discover a whole slew of vehement white supremacist condemnation being spewed towards vulnerable communities.

There is a pattern with Carter re-tweeting the comments of those in the public eye who wish to perpetuate the dominance white-male-hetero-patriarchy within our society, such as Nick Fuentes. Nick Fuentes is a far-right, Neo-Nazi commentator who openly operates the America First podcast on YouTube, and with James Allsup-the Nationalist Review.

Carter is also fond of re-tweeting Tennessee born former editor and columnist of the Daily Caller-Scott Greer. Scott Greer is an Alt-Right/Neo-Nazi, and was a frequent contributor to right-wing and extreme-right fascist media outlets such as: Drudge Report, RealClearPolitics, Fox Nation, Breitbart, and the Alt-Right/White Supremacist Radix Journal (a journal associated with Richard Spencer) under the pseudonym „Michael McGregor“. He is also the author of “No Campus for White Men: The Transformation of Higher Education Into Hateful Indoctrination.” This book, who’s forward was written by Neo-Nazi Milo Yiannopoulos, discusses the myth of how “cultural Marxism” on college campuses and identity politics leads to the hatred of white-male-heterosexuals. This book has also received praise from the likes of racist, xenophobic, white supremacists-like Tucker Carlson.

Observe Carter’s blatant sexist and misogynistic pro-life stance as illustrated below:

It gets so tiresome hearing people try to tell you that you cant be a Christian or you dont know Gods message if you dont accept homosexuality. Makes me wonder if they can read.

I appreciate the respect, I have no l'll will towards anyone and wish you well. My point was that as Christian's we should not glorify the groups (LGBTQ) lifestyle as it goes against the faith and is a sin. As I stated I dont believe in turning anyone away from the church.

Now that I'm riled up this morning I would like to make an announcement. If you are a Christian you should NOT support LGBTQ. That does not mean you dont love them and try to bring them to the faith but you dont accept their behavior as "fine" or "okay" it goes against our belief

Observe Carter's transphobic comments and re-tweets below:

Carter @Carterrer · 06 Apr

I really dont get how we got to the point in this country that people are just okay with grown men and women playing make believe. A few years ago it was plain and simple that these people playing make believe (trans) had problems and needed help. Not playing into their illness.

Just a reminder that transgenderism (gender dysphoria) is a mental disorder not a hip trend. If you have this condition seek help from a medical professional.

America will soon cease to be America. The founding stock of this nation is being demographically replaced. Not only here in the states, but in every country that is European majority. In the US alone whites are expected to be a minority by 2040.

Carter @Carterrerr · 07 Apr
Whites are already a minority in SA. What makes you think we wont get the same treatment when we become minorities in our home nations? Immigration is the biggest issue of this generations time, and if it isn't stopped western civilization as we know it will be destroyed.

What makes these examples of hate-speech on display here on social-media so particularly dangerous, is the potential for real-world harm that the dissemination of such ideas can have on lives of the general public. One need only look to the epidemic of mass-shootings here in the United States to see effect that white supremacist teachings have had on such a relatively young and impressionable cross-section of our society:

- **White Supremacist Dylan Roof was only 21 years of age, when on the evening of June 17th, 2015 he opened fire inside the Emanuel African Methodist Episcopal Church in downtown Charleston, South Carolina, killing 9 people.**
- **On Saturday April 27th, 2019 19 year old white supremacist John Timothy Earnest entered the Chabad of Poway synagogue (In Poway, CA) on the last day of the Jewish Holiday of Passover which fell on the Shabbat and opened fire on church-goers killing 1 and wounding 3 more. The only reason he did kill or injure more attendees was because his rifle jammed and was forced to flee.**
- **On Sunday, July 29, 2019, White Supremacist Santino William Legan opened fire on attendees of the Gilroy Garlic Festival in Gilroy, California killing 3, and injuring 12 more. He was only 19 years old.**
- **At the time that this article is being written (Saturday, August 03, 2019) White Supremacist shooter Patrick Crusius has just, according to one report, killed at least 20 persons and injured 26 more inside the Walmart at the the Cielo Vista mall in El Paso, Texas. He is only 21 years old.**

Given this context, it behooves one to be concerned as to whom of Carters' peers, or former classmates, might possibly become motivated to committing acts of white supremacist terrorism as a result of his Neo-Nazi/White Nationalist propaganda. Why, even Carter Reynolds himself might end up becoming our nations' next mass-murderer. Do we want to sit back and wait to find out? Do we want to wait till history repeats and more lives are lost?

It is imperative that we as antifascists continue to shine the light into every dark corner and crevice within the world of white supremacy and thwart their evil mechanizations-before it's too late.

Here are some posts found on different sites giving us indication that he was born on 11/06/99, is currently 19 years old-and that his first name is actually „David“, while „Carter“ is actually his middle name:
